Classroom Materials

Title of Material: Healthcare Exit Slip

Topics Discussed: Healthcare, healthcare inequalities

Skills Utilized: Brainstorming, peer collaboration

Format: Individual

In Person or Online: In Person

Procedure/Instruction Suggestions:

This provides an idea of where the class stands with their understanding of healthcare and gauge their participation, which you can use to further explain or discuss what is needed to be revisited, what the class is most interested in, and how to move forward with the lessons.

Healthcare Exit Slip

1. Describe a *specific* healthcare crisis that you learned about. Why did this one stick out to you?
2. How might this crisis impact people?
3. To what extent can you, as a student, confront this healthcare crisis? What can you do to help?
4. What questions do you have about healthcare?
