Classroom Materials

Title of Material: What is Gender? Exit Slip

Topics Discussed: Gender identity, gender inequality

Skills Utilized: Brainstorming, peer collaboration

Format: Individual

In Person or Online: In Person

Procedure/Instruction Suggestions:

This provides an idea of where the class stands with their understanding of gender roles and gauge their participation, which you can use to further explain or discuss what is needed to be revisited, what the class is most interested in, and how to move forward with the lessons.

What is Gender? Exit Slip

1. What is one thing about gender that you learned today?
2. What are some examples of gender inequality in our society? How can we face them?
3. What is one question you have about gender or gender inequality?
